

The Bible Game

Song by Bulby and Scott Wozniak, Lyrics transcribed by [44nifty](#)

I think The Bible Game deserves a lot more praise than it's given. It's unprecedented, unheard of...

Unorthodox.

Finally they made a game for me,

Fan service for Christianity

Regardless of faith, you gotta admit,

This game right here is pretty sick

It's a crowd pleaser, it's a converter

It's a jack of all trades, it never fails

Forget enlightenment! This will never grow stale!

Learn about The Bible while you have fun,

all thanks to Crave

A good scripture, no biggie, or commitment, I'm not picky

The Bible Game, it does it all

It's a trivia game, in a bathroom stall!

Win a round, you'll feel all swell

Come in 4th place? Well, see you in hell!

A game no other corresponds to Christianity and beyond

A sin or not, I'm not ashamed

To give

This game

2/10.
